

Bringing individuals, information, and ideas together

**Director's Note:**

I can't believe May is already upon us! I feel like between having a high school Senior at home and preparing for the Summer Reading Program at the library-it's crazy around here! I welcome the excitement of May though-we have a lot of fun things coming your way. May will be our last "normal" month of programming in Children's department until Fall, as Summer Reading will start June 5 and last until the end of July.

Our main event day will be every Thursday at 10am and our KICK OFF event is June 5 from 3-6pm. We have so many great programs this year-Team Scream Robotics, Max the Magician, fishing at the park, and Entertainer Will Stuck (and this is only our June events!). I hope you will be able to join us this summer-our program is for EVERYONE (kids and adults) and it is FREE!

When you attend library programs, check out books or use our digital resources-you are saying that the library matters. We appreciate you.

Happy Reading,  
Jamie Sparks, Director
