Adult Book Club:

**The Last Bookshop in London, by
Madeline Martin**

August 1939: London prepares for war as Hitler's forces sweep across Europe. Grace Bennett has always dreamed of moving to the city, but the bunkers and drawn curtains that she finds on her arrival are not what she expected. And she certainly never imagined she'd wind up working at Primrose Hill, a dusty old bookshop nestled in the heart of London.

Through blackouts and air raids as the Blitz intensifies, Grace discovers the power of storytelling to unite her community in ways she never dreamed—a force that triumphs over even the darkest nights of the war.

Services Spotlight-Book Match Readers Advisory

Our Book Match Survey is just another way of saying "librarians matching people with books they like." As librarians, we love to do this.

If you are in a reading rut, want some suggestions about what to read next, or just want to try something new-let us help you find your next great book!

All you need to do is fill out this short survey so we can get to know your reading style. Then, sit back as we compile some suggestions and email them to you. Happy Reading!

Don't forget the Libby App is available for all library users. You can download books and audiobooks with your library card number.
