Director's Note:

Happy Fall! It has been BUSY around the library. September was National Public Library Card Sign up Month and we signed up or renewed well over 200 patrons! We are so excited to see so many community members using their library card and all the wonderful services we offer. To name a few:

Interlibrary Loans: Don't see the book your looking for? We can get it for you from another library! Ask about this at the front desk or call us.

Renew your Books on our website: Go to our website and login to your account. From here you can see books you have checked out, renew them or place a hold on a book that you want to read.

Request a New Book: Is there a new book coming out that you want us to order? Request it at the front desk or call us.

Digital Resources: Some of our most popular platforms are Libby, Hoopla and Tumblebooks, which are accessible on our website and free with your library card number.

As always, we are here to help! We have some excellent programs planned for October as well. I'm especially excited about the Skincare class and for Fellow Patron, Luke LaCasse, to lead our Kids Night at the Library. We hope to see you this month.

Happy Reading,
Jamie Sparks, Director

Board of Trustees Applicants

We are looking for community members who are interested in serving on the Library Board of Trustees. Please see the application and more information [HERE](#).

October Book Display

Our Book Display this month is full of spooky stories. Directly behind the circulation desk you can find this display & check out your next scary

story.
